Bass Baits

Made in USA

ALL BAITS ARE GARLIC SCENTED AND SALTED

The Kicker Kraw and Kicker Kraw Jr. has a solid ribbed body for strength and vibration, body wings eliminate line twist, and keep the bait running true, Diamond cut tube tentacles provide added movement and appeal. The claws give maximum life like action when retrieved, and on the fall. Can be used as a jig trailer and moves water like a buzz bait when fished on top of the water. 2006 Bass Master Elite Series Winning Bait and 2007 Bass Master Elite Series - 2nd Place win.

Kicker Kraw Jr: 3 1/4" - 8pk \$3.59
Kicker Kraw: 4 1/4" - 8pk \$3.79

The Bird Dawg has big bait and big fish appeal in a compact 3 3/4" size. Solid ribbed body, accepts up to a 5/0 hook. Appendages are thinner and longer for maximum action and vibration. Pinchers and "Ears" provide added attraction and movement and thick diamond cut tube skirt. This bait is perfect for flipping in the thickest cover or Carolina Rigging deep structure and as a jig trailer. 2004 FLW - 3rd place - Atchafalaya Basin
2004 FLW Championship - 4th Place

Bird Dawg: 4 3/4" - 10pk \$3.99

We don't take credit for the design of the lizard, just for bringing it to life!
No Floatation or special spongy plastic here! The Patented holes do all the work keeping the Hightail Lizard alive with realistic action!

Hightail Lizard: 6" - 10pk \$3.99
Hightail Lizard: 8" - 8pk \$4.19

The Brush Glider has proven to be highly effective for drop shooting big bass. Its ridged body has a non-slip ribbed back which generates a better hook set. The body also has a wide profile which makes for highly visible target from bass below. We can't forget about the wonderfully versatile beaver tail that provides a gliding or fluttering action as it is fished.

2 5/8" Brush Glider 12pk \$3.99

This 7" Slender, Ringed and sleek profiled bait is a sure bet to catch fish. Texas or Carolina rigged this bait has the action needed to attract big fish.

7" Ring Worm: 10pk \$3.49

The most realistic 11.5" Ribbon Tail on the market! The Patented holes help the Big Boy stand up Hightail action that drive the big bass crazy!

Hightail Ribbon Tail: 11 1/2" - 8pk \$4.29

This 4.25" ribbed bodied bait has various actions to attract the bite. The Wobble Bug has a slight wobble as the legs kick that mimics bait in distress. For a smoother action anglers may simply pinch the legs off. The Tail may also be split for more water displacement. This has been a proven bait for pitching and flipping.

4.25" Wobble Bug 8pk: \$3.99

Keep it simple with this 5.25" Stick Bait. This bait is loaded with salt and garlic. Rig it to sink slowly with a fluttering action which will drive fish nuts. Well known and proven to work bait.

5.25" Stick Bait: 10pk \$3.49

The 3" Slim Stick is an outstanding simple but proven design. The Slim Stick has a baitfish style profile and a long-pointed tail that quivers at the slightest movement of the rod. This bait is an excellent drop shooting bait.

3" Slim Stick: 12pk \$3.99

This 4" slick, solid body profile bait has been proven to catch big fish! It can be rigged as a topwater bait or can be fished as a jerkbait. Either way this bait is rigged it is sure to attract big fish.

Notes

The 4" Shad is an all-around proven fish attracting swim bait. With its improved Design, this swim bait has a tremendous balanced wiggle action from the head to its tail. Resulting in much more realistic swimming action fish cannot resist.

4" Shad: 8pk - \$3.49
4" Shad: 25pk - \$8.99

The Shad Stick takes the popular stick bait craze to the next level! Adding a "Shad" head to the stick-tail gives this bait great wiggle on the fall, while also providing a great darting action when twitched. The Shad head also gives a "real fish" look over standard stick baits. A hook groove has been incorporated into the shad head for 100% even rigging., while also providing a resting spot for the hook with less tearing of the bait.
